Dear Parent/Carer

While we recognise that the After School Club is child care and therefore more informal than the rest of the school day, we still have the same expectations of behaviour. We expect children to follow the Junior rules:-

- Be safe
- Follow instructions
- Show respect

We have a sanction system for any child whose behaviour is not in line with the Junior rules. This is a step system:-

1. Discussion with parents and a warning letter
2. Discussion with parents and removal from After School Club for one evening
3. Discussion with parents and removal from After School Club for 5 days
4. Removal from After School Club

We recognise that many families rely on the After School Club to provide vital child care, but we need to ensure the club is a safe and happy environment for everyone. I am sure you will want to work with the Academy to ensure your child behaves well in the After School Club.

Yours faithfully

Lucy Burks
