

TDET Sixth Form 2023

Thomas Deacon Academy Campus

Introducing the Trust

TDET is a highly successful multi-academy trust and charitable organisation that aims to be one of the leading MATs in the country, dedicated to providing a truly world class education for our communities in Peterborough and the surrounding area.

We are a trust that unites and empowers like-minded academies to achieve the very best for our learners, and at the heart of our vision is a profound belief that the Trust as a whole is more than the sum of its parts. All our academies are equally valued and contribute to the development and direction of the Trust as we grow together.

All members of our Trust - our academies, members of staff, students and communities - are united in purpose through a set of shared common values and expectations:

-  **Trust** | We rely on honesty as the basis for developing meaningful relationships
-  **Diversity** | We embrace individual differences
-  **Excellence** | We want the very best and never give up on doing what is right
-  **Transformation** | We work together to make a positive impact

We work across all key phases of education to provide every child in our communities with the best life chances and high aspirations whatever their background or starting point.

All TDET schools strive to give our pupils the very best education possible and we insist upon the highest standards in all that we do. Our academies work closely together, taking part in real and meaningful collaborations between teachers, pupils and other key partners including parents, business and other education providers. We value our local communities and actively encourage our schools and staff to share best practice to benefit all pupils within each local area. Through these collaborations we strive to ensure that TDET:

-  Offers the highest quality educational **Provision** so that every child is empowered to be a confident learner, successfully prepared for their future.
-  Develops meaningful and high-leverage **Partnerships** that actively and directly support our goals as a strong multi-academy trust.
-  Becomes an employer of choice by investing in our employees so that we have the best **People** working for us, who are fully engaged and empowered to achieve our collective goals.

Through experience, we know that there is no such thing as a one-size-fits-all approach to education. Our academies are individual members of the Trust community and are empowered to innovate and adapt to the needs of their pupils and the local community.

Mr Scott Hudson
Chief Executive, Thomas Deacon Education Trust

Executive Principal's Welcome

As Executive Principal of Thomas Deacon Academy, I am very proud of the achievements of our Sixth Form students and staff.

Over recent years, we have seen significant improvements in the curricular and extra-curricular success of our students and our Sixth Form is going from strength to strength. This was confirmed by our most recent Ofsted Inspection (September 2019). Competition for places in our Sixth Form is fierce as we offer a comprehensive Post-16 curriculum which has something to offer to every student.

Moving forward our core purpose for the Academy is a simple one:

To ensure that each student acquires the necessary knowledge, skills and character to make a positive contribution and 'thrive' as a global citizen.

We are committed to providing an excellent education which allows every young person to achieve the best possible set of qualifications. Equally we value the importance of developing young people who are positive.

Our six pillars of character provide the foundations of the TDA Way:

Curiosity, Commitment, Courage, Compassion, Confidence and Courtesy

Mr Rick Carroll

Executive Principal, Thomas Deacon Academy

High Expectations...

Welcome to Thomas Deacon Academy Sixth Form.

It is a real privilege to work with the brilliant young people who make up Thomas Deacon Academy Sixth Form. We have an inherent belief in young people and in supporting them to become the very best they can be. We want every student to be a leader in our Academy and in the wider community and we provide a range of valuable experiences to achieve this, from leading students in school as a Senior Prefect, to working with our younger students as a mentor or reading leader. Whether it is through the Duke of Edinburgh Award scheme, mentoring programmes, sport, drama, the National Citizen Service, enrichment or our incredibly successful university application support, young people in our sixth form thrive academically and actively contribute to their community.

We nurture a culture of high expectations coupled with a supportive environment which allows all of our young people to access wonderful opportunities for personal and academic development.

Mrs Michala Jackson
Director of Sixth Form (Assistant Principal)

Mr Mark Taylor
Deputy Head of Sixth Form (Academic)

My role is to ensure that you are making as much progress as you can during your time at TDA Sixth Form by helping you to show maximum commitment to each of your subjects. I work closely with your subject teachers, and you individually, to remove barriers to your learning and to give you the opportunities to broaden your academic curiosity. I am responsible for getting you ready to apply to University and support with degree/higher apprenticeship applications. If you have an interest in particularly competitive courses such as Medicine or Dentistry, or if you wish to apply to Cambridge or Oxford University then I will support you, through our scholars programme, in securing a place. Overall, I want to make sure that your time with us is enjoyable and challenging so that you are prepared for University and to become a leader in your community.

...in a Supportive Environment

Mrs Angela Harbour
Sixth Form Attendance and Wellbeing Officer

Your attendance at school will have a huge impact on your success in the Sixth Form and your options for progression beyond this. My role is to support (and sometimes challenge) you to ensure that you are able to be well in school and to access your learning and other opportunities.

Ms Joanne Farey
Study Centre Supervisor

I am here to provide support throughout your time in Sixth Form. Based in your study centre, I am available throughout each school day and after school between 3pm and 4pm. Study support sessions run after school to teach you how to make the best use of your time and to support students who may be struggling with their workload. I am here to help you with developing study skills and to support you with homework tasks, organisational skills and anything else you may need assistance with. Sixth Form can be challenging at times, but I am here to help ensure your time with us is successful.

Miss Melissa Lopez
Sixth Form Student Support Officer

My role is to help you make a smooth transition into the Sixth Form, ensure you have the correct timetable, and liaise with you and your parents about any concerns or barriers to your learning. I also help in organising trips and other activities which add to your fantastic experience in the Sixth Form.

Miss Faheema Naulla
Sixth Form Progression Coordinator

My role is to support you in your progression from Sixth Form onto the next stage of your education or career. I ensure that you have lots of opportunities throughout your time with us to speak to universities, employers and other partner organisations to help you with your choices. I manage the process of application to university through UCAS and support students applying for competitive courses or universities, such as for medicine or to Oxford and Cambridge, with the additional requirements such as testing and interviews.

Pastoral Support

Academic Coaches are pivotal in ensuring effective support. With their daily contact they are well placed to assist sixth formers in their organisation, tracking attendance and helping them to maximise their academic outcomes.

In addition, the Sixth Form Team includes staff who are expert in supporting students with their wellbeing and with their university applications including for 'early entry' (medicine, dentistry, veterinary degrees and Oxford/Cambridge).

Support is available to assist in careers and in the development of good study practices/ skills for success both now and in the future.

Uniform

We are very proud of our uniform which ensures our students stand out as the role models they are both in school and in the community.

Uniform is purchased from our supplier:

[https://www.chromasport.co.uk/search/tda sixth form](https://www.chromasport.co.uk/search/tda%20sixth%20form)

For more details, visit the TDA website.

Advice on Choosing Courses

SCAN ME TO
APPLY ONLINE

All sixth formers must study towards the equivalent of three full A-levels.

-  Choose courses that you are **genuinely interested in** and will support your **future aspirations**
-  **Investigate and research** different ways by which you might be able to access the career of your dreams e.g. a degree or higher apprenticeship
-  Visit the universities' admissions website www.ucas.com to find out more about entry requirements - both grades and subjects
-  Make sure you know the **entry requirements for your subject preferences** - are they realistic given your current performance?
-  **Talk to your teachers** and get their view on your suitability for Level 3 qualifications (A levels, BTECs and Cambridge Nationals)
-  Check your subjects are a **sensible combination**. For instance, will you be able to cope with the demands of lots of coursework subjects simultaneously?

Sixth Form Opportunities

We actively encourage students to take up some of the many opportunities we provide for their wider development.

- ✿ **National Citizens Service:** For all Year 12 students
- ✿ **Student leadership:** Senior Prefects, Head Girl and Boy, mentoring, reading support, culture leaders etc.
- ✿ **Student voice and community organising:** Working across the whole Academy and with Peterborough Citizens UK
- ✿ **Gold DofE, Combined Cadets Force, STEM**
- ✿ **Subject activities:** Awards, fieldwork, projects
- ✿ **Student led activities:** Debate club, MedSoc, Law Society
- ✿ **Flexible Work Experience**
- ✿ **University programmes:** Application and interview support, webinars, guest speakers etc.
- ✿ **Sport:** Develop athletic and sport specific elements of your chosen sport in collaboration with coaches from partnered clubs and TDA staff with additional qualifications in performance coaching
