

# Maths Leaders - Lead Learner

## Main responsibilities

- To help promote a positive attitude towards Maths at TDA.
- To ensure consistency of maths content across all subjects.
- To promote links between Maths and other subjects.

## Job description

- ✓ To assist KS3 tutor groups with the Maths Box activities.
- ✓ To contribute Maths questions to the Friday Quiz.
- ✓ To help organise Maths display board showing links between Maths and other subjects.
- ✓ To respond to weekly e-mails regarding Maths Leaders.
- ✓ To assist non-Maths staff ensuring a consistent approach when using Maths in other subjects.
- ✓ To help with numeracy in TDA Juniors.
- ✓ To keep a record on the Maths Leader SPLAT card.

## Person specification

- To have a positive attitude towards maths, and a willingness to share with others.
- To have excellent communication skills, both face-to-face and by email.
- To be confident speaking to your peers.
- To have a keen interest in mathematics its applications.
- Must be in Y9-11.
- To be able to explain methods using mathematical terminology.

*Bronze*  
Meet requirements

*Silver*  
Demonstrate initiative

*Gold*  
Demonstrate dedication by going beyond

## Appraisal

Your performance will be evaluated twice a year by meeting with the member of staff in charge of the leadership programme and you will be required to provide evidence of your performance, using data-tracking from the administrator and satisfaction surveys from your reader.

## Initiative and extra dedication

- To come up with ideas for the Maths display board.
- To offer assistance in non-Maths lessons.
- To encourage others to become Maths leaders.
- To complete Silver and Gold SPLAT cards.
- To support other students with maths during tutor time.
