

This week

- Assemblies on Monday 9th March – Approaches to revising
- Tues 10th March GCSE PE Mock Moderation 12-4pm
- Tues 10th March – English Noisy classrooms debate (60 students)
- Weds 11th March Dance Exam

- Wellbeing drop in starts - in the library every Mon and Weds, 2.45pm – 3.30pm. Any student can attend for support and an informal chat.

Revision and tutor time

Tutor time is used to support students with targeted revision:

- Mon - Maths
- Tues - English
- Weds - Science
- Thurs - Option Subject
- Fri - Option Subject

Revision planners and revision booklets for Maths / English and Science has been provided to all students.

Compulsory Interventions this week

- Tues and Thurs afternoon – DT/Engineering/Construction
- Thurs afternoon – Science peer tutoring
- Friday morning – English breakfast club (boys)
- Friday afternoon – Biology drop-in

Easter School : Mon 6th – Weds 9th April 9am -12pm

Students will be invited in for extra revision focused sessions. Letters will be coming out to students in the next 2 weeks.

How are the students doing?

Shadow Mocks

Students conducted themselves extremely positively for the shadow mocks exams. They will find out how well they performed over the next 2 weeks.

English conference – Thurs 5th March

All students participated in the **English Macbeth conference** work with Royal Shakespeare Company and were exceptional.

This week in Maths

Continue with Hegarty Maths and maths booklet in tutor time.

This week in English

All students use the PiXL app and Seneca learning to access revision guides/practice alongside revision tools your teacher has set you. They need to read their texts – we have provided you all with your own copies of your 19th Century text and the best way to revise is to READ. Good Luck!

This week in Science

All students should be using their knowledge organiser/PLC booklets.

All students have been set on-line revision tests on the Educake platform.

Students will be getting a rates and equilibria booklet and an organics booklet to help their revision in tutor time.

Students should be participating in the weekly Educake tutor challenge.
